INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

September 30, 1908.

Margaret V. Brown,
Chelsea, Oklahoma.

Sir:

Relative to the application which you have filed on behalf of yourself and your children, please state why you, your parents, or grandparents were never enrolled.

Were any of your ancestors ever slaves?

Were any of your ancestors parties to the Treaties of 1825-6 and 1846?

State clearly the name of the ancestor through whom you claim the right to share in this fund and where that ancestor resided in 1825-6 and 1846.

Let me take in your application that the claim is based on descent and blood. Please state whether you claim through any other line.

Any other information obtainable to you to establish your claim should be given in this letter.

An early reply, referring to No. 45205, will be appreciated.

Very respectfully,

FST/NEA

Special Commissioner.

Chelsea, Okla. Oct. 15, 1908.

To Guion Miller, Special Agent
Washington, D. C.

Dear Sir:-

Your communication of Sept. 30, 1908, rec'd., and I hasten to reply; and it is in connection with application to share in the Eastern Cherokee Fund by Ora E., Eda E., Willie M., Julia D., and Goldie A. Brown, for whom Margaret W. Brown makes the application, the applicants being minors; and also Eva N. Brown, an adult, who makes an application in her own name, the number of one application being #45205.

The father of the applicants was a Cherokee by blood, and applied to be enrolled for allotment of lands in Cherokee Nation; but he died before the time for allotment. The grandfather and great-grandfather on father's side was named Hezekiah Brown. The applicants were all small in time of death of the parent by blood, and are not able to give detailed information of the ancestors running back to 1835. And if ancestors name are not found on rolls, one reason why was because of the death about the time of application was made and testimony was being gathered.

An uncle of the applicants named John W. Brown, was enrolled on roll of date about 1868 or 1869, through the same ancestry of the applicants; and had he been living in 1908, we believe he was entitled to land. The old ancestry-Hezekiah and his parents- should be put on the roll ~~if~~ of the Cherokees as far back as 1835 or 1846. Some of the ancestors were slaves.

The great-grandparent, Hezekiah Brown and Great-grandmother, Rachel Brownfield, were, we believe parties to the Treaties of 1835-6 and 1846.

Through uncle John W. Brown, and his ancestry, including the above-mentioned Hezekiah Brown and Rachel Brownfield, (Cherokees) are the parties through whom the applicants should draw the Eastern Cherokee Funds.

Respectfully submitted.

COURT OF CLAIMS

Dec. 21 1890

STATE OF GEORGIA, COBB COUNTY.

Personally appeared before the undersigned Mrs. Emily Cleland Howell who being duly sworn makes this affidavit in order that the same may be used in aid of the claims of Mrs. Juliette Compton and her children of Columbus, Georgia, in their effort to establish their claims to their respective shares of the fund of 1906 appropriated by Congress to settle the debt of the Government to Eastern Cherokees. She deposes as follows: The grandmother of Mrs. Juliette Compton was Sarah Waters, daughter of George Morgan Waters. Sarah Waters married Thomas Charlton. Their daughter Ellen married David Hudson. Mrs. Juliette Compton is a daughter of David and Ellen (Charlton) Hudson, making Juliette Compton the great-granddaughter of George Morgan Waters.

Affiant knows all these facts by reason of her relation to the family of George Morgan Waters he being affiant's grand-father.

All the ancestors of Juliette Compton are dead. Juliette Compton is of the same descent on her mother's side as are affiant and her children whose claims she understands have been enrolled and entered allowed. Juliette Compton is of the same descent as affiant but is one degree more remote from the common maternal ancestor George Morgan Waters.

In further support of the claim of Mrs. Juliette Compton and her children reference is hereby had to the proofs of file in the claims of Archibald Howell's children born to him and Cathrine E. Howell and those of affiant and the children of herself and the said Archibald Howell, the said first wife of the said Archibald Howell being affiant's sister, all of which claims, as above stated, have been adjudged as fully proven and allowed.

Juliette C. K. Compton,
212 16th Street,
Columbus, Georgia.

Madam:

Replying to your letter of July 19, 1909, you are advised that you were not enrolled with your minor children for the reason that your application was filed after the time prescribed by the Court for filing applications.

The requirement as to the filing of claims within a certain time was not held to apply to minor children, who were incapable of filing claims in their own right.

If you desire to have your rights considered by the Court you can do so by filing an exception to my report before August 30, 1909.

If you should file such an exception it will only be necessary for you to state the fact that you have filed an application, giving the number, and that your children were found to be entitled to enrollment, giving their roll numbers, and that you were refused enrollment solely for the reason that your application was filed too late.

Very respectfully,

W. H. C.

Special Commissioner.

Enclosed you will find Appeal blanks, and General Affidavits made out and signed, as required, in regard to Claim No. 45230, of the Eastern Cherokee Intermment.

The claim was made by myself, Juliette J. H. Compton, and other children; the claim for the children had been acknowledged, but rejected by myself on account of not having the title in my possession. I wish to state I have no other relatives as far as I know.

I wish to state I have no other relatives as far as I know, but cousins the Howells of Marietta, Ga. and I have the same right of inheritance that have, as the George Morgan Waters are in the interest of the land.

Mr. Howell has the land, as far as I know, but I should like to see it if I could. I should like to see it if I could. I should like to see it if I could.

I am, Sir, very respectfully,

U

State of Tennessee
Roane County 3 P. S.
Personally appeared before the
undersigned authority, J. C. Pope, who
being by me sworn deposes and
says,

I am Clerk of the County Court of
Roane County. I am 64 years
old. I remember of seeing
my Grand father Pope's mother
Her name as I remember was
Mary Funderbuck. I am sure
it was Funderbuck and I think
~~that~~

I have heard my father
say that Grand father Pope
was named after his mother
people and his name was
William Edde Pope, Great
Grand mother Funderbuck as
I understood from my father
was married first to John Pope
and after his death married

mailed Tumberbuck. I do not know his first name from all the circumstances and information I obtained from my father in his life time. I believe Great Grand mother Tumberbuck's name before her first marriage was Eddie - because father told me that Grand father was named after his mother's people and his middle name was Eddie or Eddy. If Great Grand mother was ever married more than twice I never heard of it - I was ten or twelve years old when I last saw Great Grand mother Tumberbuck she was at Grand father's house - she went to her son's J. D. Tumberbuck in Bradley Co. & I think died there my Grand father died in 1866 and father died in 1877.

Relative to your application for participation in the Eastern Cherokee Fund, please state why you, your parents or grandparents were never enrolled. Were any of your ancestors ever slaves? Give the names of your grandparents on both sides. State clearly the name of the ancestor through whom you claim right to share in this fund, and where that ancestor resided in 1835 and 1846. State clearly all your reasons for thinking that you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Madam:

Relative to your application for participation in the Eastern Cherokee fund, please state whether you, your parents and your grandparents, were ever enrolled:

Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live?

Were any of your ancestors parties to the treaties of 1835-6 and 1846?

State clearly the name of the ancestor through whom you claim the right to share in this fund, and where that ancestor resided in 1835 and 1851?

Have you been enrolled by the Dawes Commission? If so, state under what tribe and give your roll number.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Dear Sir

Mr Sarah J Lee, of Sasakwa, Oklahoma does not know for certain if her Grandparents were enrolled or not. But she firmly believes her Grandfather Allen Knight was. He lived in Davidson Co. Tennessee with the Cherokees and remained there all his life. He left T. C. in 1801. and settled in Davidson Co. Tenn with the Cherokees. They were early Settlers. Tom Williams and Old Cherokee Full Blood, lived quite close to my Grandfather and he said he was related to my Grandfather Allen Knight. None were ever slaves we were white and Cherokees. no Nigger blood in us. we pass as white people in community in which we live. do not know if they were parties to the treaties or not in 1835-6 - and 1846. J. Tillman Pendley,

Sir:

Relative to your application for participation in the Eastern Cherokee fund, please state whether you, your parents or your grandparents, were ever enrolled?

Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live?

Were any of your ancestors parties to the treaties of 1835-6 and 1846?

State clearly the name of the ancestor through whom you claim the right to share in this fund, and where that ancestor resided in 1835 and 1846?

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Hon Guion Miller
Special Commissioner

Sir
Answering your letter of inquiry
of the 19 of Oct in regard to my
Application No 45250 will answer
as follows

I do not know whether my
parents or my self were ever enrolled
or not, but I firmly believe they were
they certainly should not been
enrolled for they were of Cherokee
Indian descent

None of my ancestors were ever slaves,
there is no negro blood in me
and I pass for a white person in
this community and I associate
only with white people

I feel sure some of my ancestors
were parties to the treaties of 1835-6
and to 1846 for some of them were
full blood Cherokee Indian

I claim Cherokee Indian blood,
through my Mother Aseline Pendley
(nee) Turner who often told me she
was one fourth (1/4) Cherokee Indian
by her ^{my} Mother who was born near
Atlanta Georgia in the year 1846

Also I claim through my maternal
grandmother, Peruvally Turvie (nee Frost)
and last married to James Pinion
who said she was one half (1/2) Cherokee
Indian and in 1835 and 1846 lived
in the State of Georgia near what
Atlanta now is. I also claim
through William Pendley who was
my father. ~~He was~~ ^{he was son} of Benn Pendley and
Nellie Pendley (nee) Hisaw my great
grand father. Hisaw was one (1/2) half Cherokee
Indian or that is what I have always
firmly thought and they so lived in the
State of Georgia till about the
date of 1850 or there abouts proof
of this owing to some of the old
people being dead these are the
facts and reasons that I think I am
entitled to share in in eastern Cherokee
funds yours truly

Relative to your application for participation in the Eastern Cherokee fund, please state whether you, your parents or your grandparents, were ever enrolled?

Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live?

Were any of your ancestors parties to the treaties of 1835 and 1846?

State clearly the name of the ancestor through whom you claim and where that ancestor resided in 1835 and 1846.

Give any other information tending to establish your right to share in this fund.

An early reply will be appreciated.

APPLICATION # 45257.

Berry, Ala. October 27th, 1908.

Hon. Guion Miller,
Special Commissioner,
Washington, D.C.

Sir,- Answering your letter of inquiry of the 18th inst. in regard to my application # 45257, will answer as follows:

I do not know whether my parents, my grand parents or myself were ever enrolled or not, but I firmly believe they were; they should have been enrolled for they were of Cherokee Indian descent.

None of my ancestors were slaves; there is no negre blood in me and I pass for a white person in the community in which I live and associate only with the white people.

I feel sure some of my ancestors were parties to the Treaty of 1835-6 and 1846 for some of them were full blood Cherokee Indians.

I claim Cherokee Indian blood through my mother Melissa J& Hayslette(nee Turner) who often told me that she wa one fourth Cherokee Indian by her mother who was born near Atlanta Georgia, on October the 25th 1844; Also I claim through my maternal Grand mother Permeally Turner(nee Frost, and last married to Pinion) who said she was one-half Cherokee Indian and in the years 1835 to 1846 lived in the state of Georgia, near Atlanta. I also claim through Suffie Turner (nee Turrell) who was said to be my great grand mother. N.C.Hysaw, a grand son of Permeally Turner(nee Frost etc) procured the evidence

Apolication # 45257, #2

of his said grand mother and used it in his Cherokee Indian case a number of years ago, and I am informed he secured some land in the Indian Territory on his Cherokee Indian blood. The same Indian blood in N.C.Hysaw is in me. I am certainly part Cherokee Indian.

Sir:

Relative to your application for participation in the Eastern Cherokee fund, please state whether you, your parents or your grandparents, were ever enrolled.

Were any of your ancestors slaves? Do you live as white or colored in the community in which you live?

Were any of your ancestors parties to the treaties of 1832-3 and 1845?

State clearly the name of the ancestor through whom you claim the right to share in this fund, and where that ancestor resided in 1832 and 1845.

Were you enrolled by the Dawes Commission? If so, state for which tribe and give your roll number.

An early reply will be appreciated.

Very respectfully,

Relative to the application which you have filed as guardian for participation in the Eastern Cherokee fund, please state whether your wards' parents or grandparents were ever enrolled as Eastern Cherokees?

Were any of their ancestors slaves? Do they pass as white or colored in the community in which they live?

An early reply will be appreciated.

Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live.

An early reply will be appreciated.

James P. Lynn,

Calico Rock, Arkansas.

Sir:

Relative to the application which you have filed as Guardian for participation in the Eastern Cherokee fund, please state whether your wards' parents or grandparents, were ever enrolled?

Were any of their ancestors slaves? Do they pass as white or colored in the community in which they live?

Were any of their ancestors parties to the treaties of 1835-6 and 1846?

State clearly the name of the ancestor through whom they claim and where that ancestor resided in 1835 and 1846.

Were they enrolled by the Hayes Commission? If so, state under which tribe and give their Roll numbers?

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

I, Rietta J. Johnson, state that if any of my ancestors were slaves, I do not know of it and never heard that they were. My grandfather, Hughes O. Taylor was a quarter-breed Cherokee Indian, and lived in the State of Tennessee, and died in 1839^{or 1840}. He was not a party to the treaties of 1835 1836 or 1846. My mother was Louisa Taylor and was a daughter of Hughes O. Taylor and it is through my mother that I trace my blood kinship to the Cherokee Indians. She married Chesley Boatwright and died in the year 1875. I know nothing of my mother or grandparents or other ancestors having been a party to the above treaties, or either of them. I know nothing of them ever having been enrolled. My mother and grandparents were ashamed to establish their Indian blood.

Will Lewis established his rights as an Indian in the Cherokee Nation. He was a son of the sister of Hughes O. Taylor, my grandfather, and established his right through the same source through which I claim.

Answer to F. S. T. No. 45295.

Guion Miller, Special Com.
601 Ouray Bldg.
Washington, D. C.

Dear Sir:-

Replying to your valued favor
of Oct. 24, 1908, addressed to Ida Belle Chouette, Oklahoma City, Okla-
homa, we desire to answer for her the following questions.

FIRST.

Why
The applicant has no way of
knowing ~~whether~~ her parents or grand-parents were never enrolled, and
she says she understands the reason why to be, that in Tennessee where
they resided formerly, that they were looked down on, if they claimed
Indian blood, and for that reason her parents or grand-parents were not
registered and that is the only reason that she can assign for their
failure to enroll.

She has no way of knowing
whether or not her ancestors were parties to the Treaties of 1835- 36
and 1846. The ancestor through whom she claims was Cynthia Mitchell,
and who resided in Perry County, Tenn.

I desire to say for this woman
that her information and knowledge is very meager concerning these mat-
ters, and I am enclosing a letter herewith from Arminta Waters, who is
one of the parties who signed the affidavit. You can get the advantage
of what she says. It is clear that they know very little about it. Of
course I think these folks are telling just the facts. The claimant
is not educated, and does not know anything about her family except as
such traditions, that has been carried down in the family in relation
to her Indian blood.

If she is unable to recover un-
der this showing, she will simply have to fall down, that is all there
is to it, and at the same time the appearance of the woman, herself shows
the Indian character. Her very expression and her face all show the
Indian blood, and I am sure she is correct in reference to the matter.

Practically all the information
she has came through the Waters woman. I am writing this letter for her
and enclosing you all the source of information, that she has at this
time, and to state **however**, that we are making an effort to find some
other evidence as to her rights.

Yours very truly,

S. A. H. - N.

Washington D. C.

Dear Sir:-

Yesterday you circular letter relating to the rejection of my mother's claim #45297, for participation in the Eastern Euro Bell Tray case came to hand, and as probably my and my brothers' case were the same kind, I would be very grateful to you if you will inform me upon what grounds the rejection was recommended by you, so that I may make an intelligent exception in the case of claims.

In the last interview I had with you in your office in Washington, you seemed to favor the chances of our applications, and did not seem desirous of making any objection to them, because of the unavoidable delay in getting our applications

in, as it was not wholly one fault.

I had some letters from you, bearing me out in this but they were destroyed in the Bliss School fire last November, but a perusal of your files will doubtless explain the matter and refresh your memory as to the particular case.

You seemed so willing to help me when I called, that I am thus trespassing again on your kindness in asking you, just what objective I must now come to be in order to be in good standing.

I am sure that you will see me through and I remain

Yours truly

Stephen E. Barnwell

Sir:

Replying to your letter of June 20, 1909, you are advised that if your mother, Elizabeth Barnwell, has received a letter stating that her application had been rejected it is a clerical error, as both you and your mother have been enrolled and will receive notice to that effect within the next few days.

We very much regret this error.

Very respectfully,

Gen Guice Miller,
Washington D.C.

Dear Sir;- referring to your letter of Oct. 27th 1908. which referred to my application FBT No. 45301.

The reason that I did not enroll, I was living down in Texas at the time the enrolling was going on and did not know that I could enroll, or was supposed to enroll. I do not know why my grand parents did not enroll.

My ancestors were never slaves. I have heard my mother speak about some treaties the Government made with the Cherokees, but I do not know what treaties she had reference to.

I claim Cherokee blood through ~~the~~ John Standley.

My folks moved from the west about the year 1824 to Arkansas and lived there in 1825, 1826 and 1827.

If I have this name; the question contained in your letter above referred to or other information desired, please let me know.

Very Respectfully Yours.

Dear Sir

In answer to yours of Dec 3rd will say I get my Indian Blood through my Mother, Elizabeth Clark nee Jones Indian name Rhiner, she resided in Linestone Co. Texas in 1851 she got her Indian Blood through her mother, my Grandmother, Mary Matilda Jones, nee Rhiner. She was born in Fishboringo Co. Alabama, and resided in Linestone Co. Texas in 1851. I do not know why my Parents were never enrolled. My Mother taught me that I was 1/8th Cherokee Indian, she was one fourth my Parents are dead. I have Relatives of Johnstons and Laeys, I am not a negro, you have got where I originated from, from Alabama to Mississippi from there to Texas, then to the Indian Territory or Okla. I have been told that my Ancestors did sign the Treaty of 1846 my Great Grandmother was a full blood Cherokee that is why I think I have a right. I have got the Indian Blood and cannot

Honorable Charles Curtis,
United States Senate,
Washington, D. C.

Sir:

I have the honor to acknowledge receipt, by reference from the Indian Office, your letter of January 25, 1910, addressed to the Commissioner of Indian Affairs, inclosing a communication to you from Mary A. King of Baxter Springs, Kansas, and making inquiry as to her claim for participation in the Eastern Cherokee Fund.

In reply you are advised that this claim was originally reported by me to the Court for rejection, and upon exceptions filed I reported to the Court on January 5, 1910, that my original recommendation was renewed. The Court has now all the exceptions under consideration.

Mrs. King's letter is returned to you herewith.

Very respectfully,

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

Sir:

Replying to your letter of recent date relative to the Eastern Cherokee enrollment, you are advised that since filing my report of May 28, 1909, with the Court of Claims, the matter has passed entirely beyond my control.

My report sets forth why, in my opinion, the claims admitted should be admitted and those rejected should be rejected. The matter now rests with the Court and the only way that my decision can be reviewed is by filing exceptions in accordance with the order of the Court of June 10, 1909.

No blank forms will be furnished for the filing of these exceptions.

Under the order of the Court of Claims of April 29, 1907, it was necessary for claimants to file an application prior to August 31, 1907, and to prove that they were Eastern Cherokee Indians by blood, descended from Indians who were recognized parties to the Treaties of 1835-6, and 1846, and to further prove that they were not Old Settler Cherokees, and that they, or their immediate ancestors, had not since the Treaty of 1846 affiliated with any tribe or band of Indians other than the Cherokee Nation.

The application about which inquiry is made in your letter was rejected because the claimant failed to bring himself within these requirements.

Very respectfully,

GUION MILLER,

Special Commissioner.
